- The agenda for the meeting is below. Only one person attended. Mr. Weinberg and I talked about things the committee could do and ways to encourage more people to participate. We decided to bring it up at the September ANC 3F meeting (they are out in August).

Introduction

Greetings Van Ness Community,

As the University gears up to welcome our students for the start of the FY 26-27 academic year, we are also gearing up to welcome community members back to campus. In doing so, we are recruiting community members to sit on the “Community-Campus Task Force” for the Van Ness campus

What is the Community-Campus Task Force?

In compliance with DC Zoning conditions for the 2020 Campus Master Plan, the task force will consist of university officials and community members (ANC 3F, residents of the surrounding Van Ness and North Cleveland Park neighborhoods, including residents of both the single- family neighborhoods and high-rise buildings near campus, and one member of the UDC Garden Club).

The Task Force meets quarterly to encourage dialogue regarding campus planning, student conduct, traffic and parking, construction activity, and similar topics.

If you’re interested in learning more about the Task Force and potentially joining the team, please join me on Thursday, August 7, 2025, at 6:30pm via Webex.

Thank you and I look forward to seeing you next Thursday.
